FOURTH GRADE ENGLISH CONTENTS

The objectives to be assessed in the admission test are related to the basic skills: reading, writing, speaking, and listening. Therefore, the student should produce written and oral language. The skills to be considered are:

Listening Skills:

- Understands and follows simple, oral instructions
- Understands basic questions
- Understands information presented orally (for example, key points, details.)

Speaking Skills:

- Expresses basic needs or feelings in single words or short phrases
- Responds to comments or questions in complete sentences when appropriate
- Uses descriptive words when speaking about people, places, things, and events
- Relates important life events or personal experiences

Reading Skills:

- Reads texts at target grade level
- Identifies story elements including: setting, character, and sequence
- Identifies the main idea and details of a non-fictional text

Writing Skills:

- Writes sentences to answer simple written prompts
- Writes a response to literature that demonstrates understanding of the text and/or to express opinions
- Uses grade-level appropriate conventions
