

SIXTH GRADE ENGLISH CONTENTS

The objectives to be assessed in the admission test are related to the basic skills: reading, writing, speaking, and listening. Therefore, the student should produce written and oral language.

The skills to be considered are:

Listening Skills:

- Understands and follows two and three-step oral directions
- Understands information presented orally (for example, key points, details)
- Understands simple questions asked in an oral interview
- Demonstrates active listening strategies, including asking questions, responding to cues, and making eye contact

Speaking Skills:

- Understands and answers oral questions during an individual interview
- Relates important life events or personal experiences in a sequential way
- Responds to comments or questions in complete sentences when appropriate
- Is able to express likes and dislikes as well as give opinions
- Speaks fluently and with correct pronunciation

Reading Skills:

- Reads texts at target grade level
- Identifies story elements including: setting, character, events, conflict and theme
- Sequences events in a story
- Identifies main idea and details in non-fiction texts
- Uses a variety of reading strategies, including making inferences and/or drawing conclusions

Writing Skills:

- Writes a response to literature that demonstrates understanding of the text and/or to express an opinion
- Writes in complete sentences with correct subject/verb agreement
- Uses grade-level appropriate conventions
- Writes a 3 paragraph text that is organized with the following: a central idea, a logical sequential order, and supporting details that develop the ideas.
- Writes legibly
